RE: Release of Funds to Serve Some People on the Moderate Needs Wait List

I am pleased to inform you that the Department will re-open the Moderate Needs Program. Effective February 21, 2011, people on the wait list who have applied for Moderate Needs services and are currently enrolled in Medicaid may be considered for Moderate Needs services.

The Department needs the following information **by February 25, 2011**.

- A. Please email an up-to-date list of names on the wait list, in order of the date of application.
- B. Please fax or email copies of the application page for each person on the wait list.
- C. Please email the anticipated number of people the provider expects to begin serving.

Based on this information we will let you know which people may be considered for Moderate Needs services, as outlined in the attachment. Please fax or email information to Samantha Baraw at samantha.baraw@ahs.state.vt.us. Our fax number is 802-241-2629.

Thank you, in advance, for your help expediting this process. Please contact Samantha Baraw or me at 802-241-2196, if you have questions.
